Laundry Sight Word Game

You might have the opportunity to play our newest homemade game. The Laundry Sight Word game has been a big hit with both the students and the mentors.

Name That Game

Remember to record the name of the game selected on each lesson plan. Before selecting a game, be sure to look thru the previous days lessons so we don't duplicate games throughout the week.

Breann Lammers and Lori Schroeder

Breann Lammers

Lori Schroeder

Breann Lammers and Lori Schroeder represent new businesses partnering with us this year. Breann comes from Interim Healthcare and has three sons attending Leipsic elementary school. Lori comes from Everett Schmenk Insurance Co. Lori heard about our program during our council presentation this summer. We are excited to have these ladies working with one of our 1st graders this year. We appreciate these businesses allowing their employees to help our students.

We are thankful
for our mentors!

Happy

Thanksgiving,

Judy and Patty

The third graders took their state reading test. When we have results we will share them.

If the secretary isn't at the desk to unlock the school doors to let you inside the building, please press the assistance buzzer near the inside building door. The second floor secretary will look through the camera and let you enter the office to sign in and then come to our room.

We love catching our mentors offering positive praise to our students each day. Mindy Ellerbrock was heard encouraging a student just about to be tested by saying, "It is your turn to shine!"

So Very
Thankful

You may have noticed some new books and packets. We are constantly adding new materials to our program finding something just right for each student. Viking Readers provides unique lessons plans for each of our students. By not using the same lesson for all students in the same grade we have found a successful program for our elementary students.

Calling all mentors.

We still have a need for 2 more mentors 12:30 – 1:00 Tuesday thru Thursday. If you know anyone who can help us, please let us know. Thank you!

Mentors, please don't allow your student to get things out of their folder or the basket. Unfortunately some of our students are being a little too aggressive with mentors, trying to tell mentors what to do. The mentor leads the session. Thanks for helping be consistent with this.

Student Mentor of the Month

Nina Cuevas

Nina has mentored 2 years and is now taking the Viking Reader class. When she heard we needed help in the afternoon, she offered to mentor twice a day. She is always willing to help us behind the scenes, lending a hand wherever she can. She greets us with a smile each morning asking what can she do to help before the elementary students arrive for the day.
