My Online Neighborhood - Discussion Questions

- Jerimiah shares different activities that he does using the internet, including visiting cool places, talking to people he knows, playing games, and drawing and creating new things.
Have you ever tried any of these activities online?
- In the video, Jerimiah says that the internet is kind of like your neighborhood.
What are some ways that the internet is like a neighborhood?
- Why is it important to get permission before going on the computer?
- Jerimiah talks to his grandma and his cousins online.
Do you ever talk to anyone online?
Do you like talking to people you know online?
- At the end of the video, Jerimiah talks about three rules to remember about going online.
The first rule is “always ask your parents first.” What are the other rules?
