_____ Student/Athlete Pass – Free for 21-22 (Fall HS Sports Athletes = Fall Sports Events)

High School Athletes only – You need your pass with you to enter a contest- **NO EXCEPTIONS**

Misuse of the pass (ex – allowing others to use it) will cause the HS athlete to lose this privilege and will need to pay for the remainder of the year. Also – if a high school athlete quits a sport - that would result in loss of privileges also. After a 20-21 COVID-19 year – we want high school athletes coming back and attending home games and supporting each other in the gym and on the field. These passes can be picked up at the Extravaganza on August 19. Winter sport athletes will pick up their pass after the Fall sports season has concluded.

All Passes are good for Leipsic regular season HOME games only and do not include OHSAA home tournament games or Home Playoff football games.
